

Tutoring Services

If you feel that your child needs help with academics, consult with your child's teacher, counselor or building principal. Many schools offer in-school tutoring, including peer tutoring. There are also many free or low-cost tutoring services in the City of St. Louis.

The following is a list of agencies that have indicated they offer tutoring services. Be sure to call the program or programs in which you are interested, to confirm sites, times, etc. You can also call a VICC counselor for more information at 314.721.8422.
